# ABOUT MedaLogistics Week Barcelona

A new  
scenario  
requires new answers.  
And we have them.

EMBRACING  
CHANGE

The **Mediterranean Logistics &Transport Week** (Medalogistics Barcelona) will focus on the latest insights and trends of Mediterranean and **global trade, economics, transportation, logistics, manufacturing and distribution**. From chain disruption to resilience, our experts will tackle the needs risen from current geo politics, policies and fiscal policies.

This summit is held annually in Barcelona, in the framework of **SIL**, and is now acknowledged as the biggest and most informative leadership conference for transport, logistics and supply chain industry in the **Mediterranean region**.

# WHAT YOU'LL FIND

A two days Conference Programme will feature **world-class transportation and logistics conference** speakers addressing topical issues and challenges on global and regional trade and investment.

It will be attended by a gathering of senior government officials, industry principals, academics, senior executive harbour, procurement decision-makers, together with the region's leading shippers, cargo owners, importers, exporters, shipping lines, logistics companies, ports, terminal operating companies, railway operators, etc... from countries throughout Europe, Middle East and Africa (EMEA).

# MedaLogistics Week is the must-attend event for business leaders in the Mediterranean Logistics and transport sector.

The chance to exchange with customers, colleagues and competitors alike, the opportunity to access new technologies and **innovations for a constantly changing market environment.**

MedaLogistics Week Barcelona is **an excellent opportunity for business leaders** in the logistics and transport industry to exchange know-how on latest trends and future developments in the Mediterranean Region.
