## VISITORS PROFILE:

SIL Americas will be the ideal place to do networking with all the stakeholders that are part of the logistics, infrastructure, distribution, intralogistics and supply chain sector. Therefore, it will be the perfect platform for senior executives and professionals from areas such as Foreign Trade, Transport, Freight Traffic, Logistics, Infraestructure, Operations, Customs, Supply Chain, Plant / Production, Storage / Distribution Centers, Purchasing, Engineers and Investors to relate with ministries, mayors, governors and other government entities related to the sector.
