

Meet Us at SIL Barcelona 2022

SIL Barcelona is Southern Europe's leading fair focused on logistics, transport, intralogistics, and supply chains. After the Covid-19 crisis forced many industry events offline for over a year, the eagerly anticipated 22nd edition of SIL will take place in its traditional format from 31 May to 2 June at the Montjuic venue of the Fira de Barcelona congress and exhibition center. Asstra-Associated Traffic AG invites visitors to stand F625 in zone 1.

SIL Barcelona brings together supply chain professionals from Europe, Latin America, and the Mediterranean. Over 650 exhibitors from 75 countries will be present. Networking events and a congress will be held alongside the fair.

"This year's edition of the fair is unique for us, as it coincides with the opening of our new office in Spain. Our participation gives us an ideal opportunity to establish new business contacts and promote our offerings for the Spanish market," says Artur Antonin, Business Development Manager at Asstra.

See you there!
